ORDER :

In the reference first read above Government has issued orders for Provisional Allocation of Posts relating to the Director of Treasuries & Accounts (HoD) in the newly formed Districts.

2. In the reference second read above, the DTA has reported that the existing cadre strength of the (13) District Treasury Offices have been bifurcated taking Mandal as unit. As of now only (43) out of (169) HODs have been bifurcated and rest of the departments are being continued in the erstwhile districts only, as such, the bills of old District Offices under those HODs are being presented at the erstwhile districts besides universities, corporations and educations institutions. As a result, work load has been increased enormously in the erstwhile districts. Hence, there is an imbalance i.e., new districts have more cadre strength with less no. of DDOs and less no. of employees whereas the old district are having less cadre strength with more no. of DDOs and more no. of employees. To mitigate the problems being faced by the DT & AOs of erstwhile Districts, the DTA has requested for temporary diversion of (127) permanent posts as stated below.

3. After careful examination of the report submitted by the Director of Treasuries and Accounts, Government hereby order for temporary diversion of following (127) permanent posts from the newly formed Districts to erstwhile Districts depending upon the work load, till final allocation is made, in relaxation of orders issued in the first read above.
